

Music Therapy Internship Bursary

The Board of the Canadian Music Therapy Trust Fund is pleased to announce the continuation of bursaries for Canadian music therapy interns. The cost of completing an internship in Canada continues to be significant and financial resources to support interns are scarce. The intent of providing eligible interns with bursary funds is to support and encourage graduates from music therapy education programs in the completion of their internship hours. These bursaries apply to *current* internships taking place in Canada *only*. Please note that the amount given may vary depending upon available disbursement funds.

Who can apply?

Any 'student member' of the **Canadian Association for Music Therapy (CAMT)** who has completed all academic requirements for a degree in music therapy from a recognized music therapy education program. You **must** be a member of CAMT for **at least 6 months** before applying for a bursary.

Please note that bursaries will ONLY be given to interns in unpaid internships. Any interns receiving remuneration (salary or hourly wage) for music therapy services during their internship are not eligible for the Canadian Music Therapy Trust Fund Internship Bursary.

How to apply

Forward a letter of application to the Canadian Music Therapy Trust Fund at the address listed below. With the letter, include the following:

- A letter confirming you have begun your internship, signed by your CAMT approved internship supervisor.
- A copy of your current membership card with the Canadian Association for Music Therapy (NOTE: you must be a member for at least 6 months before applying for funding)
- A two-page description of your internship and career plans
- Your current mailing address and telephone number
